Jessie, we have
sure of fun this year
and I hope we have
a lot more during the
summer when the night
clover wait on us and I got
mad at her. I hope
we can do a lot of
together. Don't ever
forget all the good old
times we had and you
are a cutie and a very
sweet girl who I think
a lot of.

Susie:

It has been great
having you for a friend
this year. You have a
wonderful personality and
if you get any cuter you
will have all the boys
crazy. Good luck in
everything you do.

Love ya,

Foreword

Presenting THE 1962 RAIDER ANNUAL . . .

Dedication

"Spirit" has always been the driving force behind our school life. And in the background of this force there stands an unheralded figure, a person who has dedicated his work to give us not only the spirit, but the benefits of a high level of knowledge and basic principles. The ever present smile which marks his understanding, kindness, and sincere interest in us, the students of Bell High School, will last forever in our memories. To Mr. Joe Umphress we respectfully and proudly dedicate the 1962 Raider annual.

Susie,

It's pretty hard to describe how I feel about you. Really all I can say is you're the most precious person in the world and my very best friend, and I love you to death.

Remember all the wild times we've had? God how can you forget, I'm beginning to believe it's impossible. The more I sit here and think I remember going to the show, bowling, double-dating, spending the ^{night} and just plain running around. And it was every minute a real blast. This may be our last year of school but we've still got lots more time for fun.

Susie, there's a long road ahead of us and all the time I'm beginning to realize it more. Maybe if we stick together it won't be too rough. I'd better stick together cause if we didn't it would be black mail all over the place (we both know too much). But really we need each other. Stay as darling as you are now and the right guy will come along eventually. May God Bless You Always Love you, pads, Janice (Sluggers)

Susie,
All I can say is "thanks"
you are one of the sweetest
girls I know. I hope your
little futures will be just
like you, although there will
never be another like you.
"God Bless"
Always

Bussie,

I can't begin to tell you how much fun I have had knowing you the last two years. We have had loads of fun together and I hope we can have lots more. You are one of the sweetest girls there ever was (and the nuttest) and I hope you never change cause we need a nut like you in P.E. again next year. I hope we will have some classes together next year like we did this year and be just as good friends. Good Luck in the future (with love of course).

Love Ya,

Beverly A.

Dear Susie,

First of all I want you to know that I think the world of you. We've been friends for a long long time. I hope we never have any reason to dislike each other. We've been through alot together and we will probly go through alot more together.

Good luck with everything you do.

May you always be a sweet as you are now? Stay the way you are now PLEASE??

We've both had a lot of troubles with boys and believe me if it hadn't been for you in some cases there's no telling what I would have done? There's only one thing I would have to kick some dumb boy out here to fall in love with, ^{and} but, I've got you to thank for getting me with him. It's all ours now tho', but you still helped me out alot. I hope you find the right guy. For you!! I did but lost him!
